RE: Extension to Address Deficiencies Associated With Approximate Original Contour Determination (February 8, 2001), Plateau Mining Corporation, Willow Creek Mine, C/007/038

Dear Mr. Haddock:

Plateau Mining Corporation, Willow Creek Mine is requesting an extension of time to respond to the deficiencies associated with the approximate original contour and pre-SMCRA disturbed area changes to the mining permit map. We began to make the changes to one map and determined we would need to change several maps. Therefore, we are requesting a one week extension to March 13, 2001 to complete and submit these map changes.

Should you have any questions concerning this request, please contact myself or Johnny Pappas. Thank you for your assistance in this matter.

Sincerely yours,

Vicky S. Miller
Environmental Specialist
